THE SENTINEL is read by every Householder in Town and District, so that Announcements are sure to be seen, and do not require to be inserted in any other paper — which of course must reduce the cost of Advertising.

It is impossible to secure the same publicity for Announcements through any other medium, however cheap the Advertisements may be. In Advertising, the circulation of the paper and the variety of readers should be the first enquiry.

THE SENTINEL has a larger circulation than all the other local Papers combined, and is the best Advertising medium, as well as the **Most Popular, Enterprising, Readable, and Well-Informed Newspaper in the District.**
